

NEWS - 2020 - NO. 9

NEW STARCLEAN® IMPACT BARS

UPDATE - UPGRADE!

We proudly present our new **STARCLEAN® IMPACT BARS**.

The newest technology with low friction profile and high endurance damping element.

That means: Our well-known STARCLEAN® quality at decreased costs
... to not only protect your belt and bulk material but also your pocket!

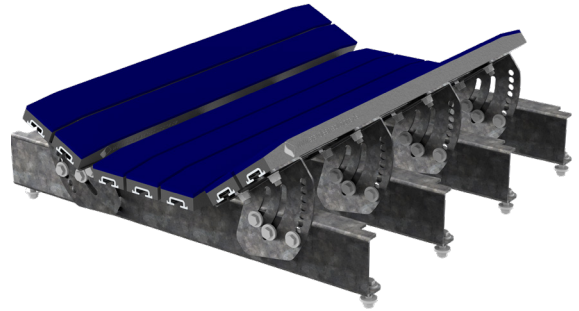

- ◆ **Additional advantage:** - Shortest delivery times due to large quantities we have permanently in stock
- Available in three different variations (**see page 2**)
- ◆ **Technical features:** - Length: 1220 mm
- Available heights: 55 mm and 75 mm
- T-Bolts (4xM16) for optimal mounting
